Re: AT&T Inc. and Dobson Communications Corp Consent to
Transfer

Control of Licenses and Authorizations, WT No. 07-153
Notice of Oral Ex Parte Presentation

Dear Ms. Dortch,

On October 11, 2007, Wayne Watts, Paul Roth and Robert Quinn, representing AT&T, and Everett R. Dobson and Lawrence J. Movshin, representing Dobson Communications, met separately with Commissioner Michael Copps and his Legal Advisors Scott Deutchman and Bruce Gottlieb, and Commissioner Jonathan Adelstein and his Legal Advisor Renee Crittendon. At each meeting, the representatives of both AT&T and Dobson Communications reiterated the public interest benefits of the proposed license transfers, as described in the application filed in the above-referenced proceeding and as further discussed in Applicants' joint opposition. The parties also stressed the importance of expedited action to ensure that the benefits can accrue promptly to Dobson's subscribers, employees and shareholders and requested that the Commission process the application promptly.

In accordance with Commission rules, this letter is being filed electronically with your office for inclusion in the public record.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a horizontal line.
